

Our annual fundraising event raises funds which are directly given to the recipient's family to purchase:

- **Medical Supplies**
- **Custom Wheelchairs**
- **Handicap Ramps**
- **Bathlifts**
- **And much more!**

These items help parents caring for these children a little bit more manageable and a lot safer.

Funded entirely by the generosity of the community and corporate donations. Your support will enable us to maintain and expand our efforts to financially help and emotionally inspire these families in times of despair and help keep hope alive.

Those wanting information about financial assistance from Mateo's Kids Foundation are invited to call **630-417-8005**.

Mateo's Kids

Keeping Hope Alive

Mateo's Kids was founded in loving memory of **Mateo Casimiro Rotger**. He was diagnosed with a rare, inoperable brain tumor at 5 years old. In spite of all the prayers and financial assistance from the community, Mateo lost his battle on September 25, 2005. And though his life was short, his story still inspires hope and generosity for many people to this day.
